**SHIAWASSEE COUNTY ENVIRONMENTAL HEALTH DIVISION
SOIL EROSION AND SEDIMENTATION CONTROL APPLICATION INFORMATION**

For the Environmental Health Division to better serve applicants for the Soil Erosion and Sedimentation Control Permit, please be advised of the following:

- ✓ The **application** MUST be complete along with a **site sketch** which includes the information from the attached list of requirements.
- ✓ All plans must be administratively complete before approval will be considered.
- ✓ For minor project review permits will be issued in 5 days; major project review may take up to 30 days. This may include on-site inspection, if necessary.
- ✓ Environmental Health Division Soil Erosion Permits: Permits must be picked up in the office between 8:00 A.M. and 5:00 P.M., Monday through Friday. Permit fee will be due at the time that you pick up your permit.
- ✓ If any activity is started before permits are secured, an immediate Cease and Desist Order will be issued and could result in additional delays and/or fees.
- ✓ For any questions on the application, please contact the Environmental Health Division at (989) 743-2390
